

**TAMARA ENZ, *Biologist*****EDUCATION**

M.S.	University of Massachusetts, Amherst, Massachusetts	1994	<i>Plant Biology</i>
B.A.	University of Massachusetts, Amherst, Massachusetts	1987	<i>Japanese Language and Linguistics</i>

**PROFESSIONAL EXPERIENCE**

2008-Present	<i>Biologist</i> , Western EcoSystems Technology, Inc., Walla Walla, Washington
2006-2008	<i>Wildlife Habitat Restoration Specialist</i> , Confederated Salish and Kootenai Tribes, Montana
2006	<i>Research Associate (Mammalian)</i> , Western EcoSystems Technology, Inc., Rock Springs, Wyoming
2006	<i>Plant Biologist</i> , Confederated Salish and Kootenai Tribes, Montana
2006	<i>Research Associate (Ornithological)</i> , Confederated Salish and Kootenai Tribes, National Bison Range, Moiese, Montana
2006	<i>Research Associate (Ornithological)</i> , Western EcoSystems Technology, Inc., New York, Montana, Colorado and Wyoming
2005	<i>Plant Biologist</i> , Confederated Salish and Kootenai Tribes, National Bison Range, Moiese, Montana
2004	<i>Plant Biologist</i> , Confederated Salish and Kootenai Tribes, Ferry Basin, Montana
2003-2006	<i>Plant Biologist</i> , Montana State University, Bozeman, Montana
2003	<i>Plant Biologist</i> , US Fish and Wildlife Service, National Bison Range, Moiese, Montana
2002	<i>Lead Biologist (Ornithological)</i> , Prudhoe Bay, Alaska
2001-2002	<i>Lynx Survey Crew Leader</i> , US Forest Service, Pinedale, Wyoming
2001	<i>Research Associate (Ornithological)</i> , North Slope Borough, Teshekpuk Lake, Alaska
2001	<i>Whale Census Technician</i> , North Slope Borough, Barrow, Alaska
2000, 2001	<i>Research Associate (Ornithological)</i> , University of Alaska, Fairbanks, Alaska
1997-1999	<i>Science Steward</i> , Sweet Water Trust, Atkinson, Maine
1996, 1998	<i>Research Associate (Ornithological)</i> , Mass. Audubon, Chicopee and Nashawena Island, Massachusetts

**PROFESSIONAL SUMMARY**

Biologist with experience in ornithological, mammalian, and plant research across the country, Canada, and Puerto Rico. Extensive bird work, including breeding and migratory bird surveys and point counts, banding, and call playback response surveys in New England, Alaska, Montana, and Canada. Mammalian experience includes an ice based bowhead whale census in Barrow, Alaska; lynx tracking surveys in Wyoming; and general track surveys in Maine. Performed community and wetland delineations and habitat suitability studies, coordinated rare plant searches, and participated in numerous research projects ranging from genetics studies to weed control in New England, Puerto Rico, and Montana. Fluent in Japanese.

**CERTIFICATIONS**

2008	Basics of Forested Wetland Construction and Restoration - Wetland Training Institute
2007	Wetland Delineation with Emphasis on Soils & Hydrology – Wetland Training Institute
2007	Introduction to GIS & Remote Sensing for Wildlife Managers – Smithsonian Institute
